## Editorial - March / April 03

Dear All

The Kings Hall in Belfast was the venue for the 2003 Sports Car show organised by Robert Lamrock with Dave Howarth providing the Club stand, during the 31<sup>st</sup> Jan to 2<sup>nd</sup> February.

After a shaky start to the year's event calendar the organisers of the show decided to pull out from the NEC and move it to the DeLorean's birthplace in Belfast. With four cars on the stand; firstly a very clean, very low mileage car painted in British racing green belonging to Cyril Hinds, another painted DeLorean in fire engine red, Chrispy's Back to the Future example and the very well publicised right hand drive DeLorean bearing the registration number OGH 486Y.

Dave Howarth, Robert Lamrock, Chris Parnham, Cyril Hinds, Keith White and myself manned the stand during the weekend with Mark Bourne and Chris Spratt making an appearance on Saturday afternoon after a six-hour delay at Heathrow airport.

On Saturday morning Sir Stirling Moss visited the Club's stand and spent half an hour chatting with Club members and reminiscing the memories of the Car and factory, which also provided an ideal photo opportunity. Chris P has written

his account of the weekend and it will be printed in May's DeLorean News.

The residents of Bath were in for a surprise during the weekend of the 8<sup>th</sup> and 9<sup>th</sup> of February as six DeLorean's drove in convoy through the town center. Stephen Strelczak organised this South West meet-up which was attended by Nick and Catherine Tomlinson, Dave Woodyard and Claire Usher, Chris Hawes, Dan Willis, Kevin Milliken and Martin Gutkowski.

Martin arranged for a Renault mechanic to be on hand and to help out with owner's

technical problems and for non-owners to find out what DeLorean ownership is all about.

I hope you all enjoyed February's edition of DeLorean news, we are now having over 350 copies printed which has meant higher quality printing for the same money. May's magazine will be even better, I hope you will agree.

If you would like additional copies of the magazine we do have a limited supply of some of the back issues, please contact Chris Parnham for more details.

Best Wishes  
Andy.
